**Comments:**

10/26/99 - Request to close is denied. Certified letter, \$200 billing statement, and transfer form sent - as this site has apparently been taken over by Bryon Ray. Mr. Davis is still the responsible party until transfer is completed. Status changed back to inactive from inspect.

7/12/99 - Operator again requests inspection to close file. No fee paid.

7/6/99 - Phone call from secretary. Said Mr. Davis told her to call and let us know he has nothing more to do with these claims - Byron Ray has taken them over. I explained to her that we need the box checked for an inspection and close the file or transfer the permit to Mr. Ray. She will let Mr. Davis know and if they have any further questions, she will get back with me.

6/30/99 - Sent certified letter stating must respond to status of mine site or pay 1998 and 1998 permit fee by 7/30/99 or will be sent to Utah
